It is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time). It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

- EVALUATION PERIODS**

Students are evaluated for Satisfactory Academic Progress on the following **ACTUAL** hours as follows:

Cosmetology	450, 900, 1200 clocked hours	Nail Technician	300, 600 clocked hours
Esthetician	300, 600 clocked hours	Hairstylist	450, 900, 1200 clocked hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The evaluation results are provided to students for review so that he or she is aware of progress status, as well as any potential impact to eligibility of Title IV funding, if applicable.

The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

- ATTENDANCE PROGRESS EVALUATIONS**

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours actual. At the end of each evaluation period, the college will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

- MAXIMUM TIME FRAME**

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED WEEKS	ACTUAL HOURS
Cosmetology (Full time, 37.5 hrs/wk) - 1500 Hours	60 Weeks	2250
Cosmetology (Part time, 20 hrs/wk) – 1500 Hours	112 Weeks	2250
Esthetician & Nail Technician (Full time, 37.5 hrs/wk) – 600 Hours	24 Weeks	900
Esthetician & Nail Technician (Part time, 20 hrs/wk) – 600 Hours	45 Weeks	900
Hairstylist (Full time, 37.5 hrs/week) – 1200 Hours	48 Weeks	1800
Hairstylist (Part time, 20 hrs/week) – 1200 Hours	90 Weeks	1800

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the actual contracted hours.

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

- ACADEMIC PROGRESS EVALUATIONS**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the college. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90 - 100	A
89 -80	B
79- 70	C (SATISFACTORY)
69 & Below	F

- DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding (if applicable) interrupted, unless the student is on warning or has prevailed upon appeal prior to being placed on probation, resulting in a status of probation.

- WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

- PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision prior to being placed on probation. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

- APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the college on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file.

- RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS AND TITLE IV ELIGIBILITY (as applicable)

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

- LEAVE OF ABSENCE, INTERRUPTIONS (RE-ENROLLMENT)

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

The school may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, the school will document the reason for its decision and will collect the request from the student at a later date. The school must extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

- COURSE INCOMPLETES, REPETITION, NONCREDIT REMEDIAL COURSES

Course incompletes, repetitions and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the college's satisfactory academic progress standards.

- TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

- (a) A School offering education using an individualized instruction method shall;
 - Establish a time period during which a student should complete the training;
 - Outline school policies relative to satisfactory progress including an average rate of assignment completion;
 - Establish a policy for termination in the event that a student does not maintain said rate of assignment completion.
- (b) Under these conditions, a refund of tuition and fees required by this section may be computed based on said time period or on assignments completed in accordance with the policy previously adopted by the school
 - The board may require a school to submit the board a notice of each tuition refund paid or contract cancelled in the manner and to the extent determined by the school.

United Beauty College recognizes that a student may have to drop out of the program due to circumstances beyond his/her control:

- Students not accepted by United Beauty College and students who cancel this contract by notifying United Beauty College within three business days are entitled to a full refund of all tuition and fees paid.
- If a student (or in the case of a student under the state's legal age, his/her parents or guardian) cancels his/her enrollment, in writing, within three (3) business days after the contract has been signed, all monies collected by United Beauty College shall be refunded. The date will be determined by the postmark on the written notification or the date said information is delivered to the administrator/owner.
- Student who withdraw after three business days, but before commencement of classes, are entitled to a full refund of all tuition and fees paid and the cancellation charge of \$150, or whichever is less.
- In the case of student withdrawing after commencement of classes, United Beauty College will retain a cancellation charge plus a percentage of tuition and fees, which is based on the percentage of contact hours attended, as described in the table below. The refund is based on the last date of recorded attendance.

The amount of earned financial aid is calculated on a daily basis from the first day of classes. The process uses calendar rather than business days. Earned aid is determined by the percentage of the number of days attended before enrollment ended divided by the total number of days in the term (excluding any breaks of five days or more).

A student is considered to have earned all of their financial aid if they complete 60% of the days in the term and attendance is confirmed.

CALCULATING RETURN OF TITLE IV AID AMOUNT

Once the earned and unearned aid percentages are determined, the next step is to calculate the dollar amount of unearned aid that must be returned to the financial aid programs. The return amount is determined by multiplying the unearned aid percentage by the total of all Title IV aid received.

Unearned Aid Percentage multiplied by Total of all Title IV Funds Received = Total Unearned Aid

SCHOOL PORTION OF THE RETURN

The amount of unearned aid that must be returned by United Beauty College is a percentage of the institutional charges (tuition, and or fees) for the term. Once the dollar amount of United Beauty College portion of the Return is determined, it is compared to the total amount of all unearned aid.

If United Beauty College portion is less than the total unearned aid, then United Beauty College must return the amount of United Beauty College portion. If the calculated school portion exceeds the total unearned aid, then United Beauty College must return the amount of the total unearned aid.

Financial aid will be returned to the aid program from which it came. If returned to a loan program, your outstanding balance will be reduced by the amount of the return. After United Beauty College returns the correct amount of aid, any amount of the total unearned aid that remains becomes the student portion of the Return. The student portion of the Return is calculated by subtracting the amount of United Beauty College Return from the total unearned aid.

Total Unearned Aid minus School Return Amount = Student Portion of Return

Unearned federal grant funds are returned on behalf of the student and the returned funds are considered a debt to the institution. Students may work with the Officer of Financial Aid to pay any outstanding debts; however, a student must not have an outstanding balance on their account upon re-entry.

LATE OR POST-WITHDRAWAL DISBURSEMENT

Students may be eligible for a late or post-withdrawal disbursement if they have accepted aid that did not disburse at the time of withdrawal from United Beauty College.

If eligible, the Officer of Financial Aid will send notification of the action required to either accept or decline a portion, or all, of the late disbursement. The student or parent has 14 days to respond instructing United Beauty College to make a post-withdrawal disbursement. If the student or parent does not respond within the 14 day timeframe, United Beauty College may make the late disbursement upon request at a later date. The student is notified in writing with the outcome of the late request. Post-withdrawal disbursements cannot be made after 180 days of the date of determination that a student withdrew or ceased attending.

CANCELLATION OF REGISTRATION

If you cancel your registration prior to the beginning of the term you will not be considered a student for that term. If this occurs, you are not entitled to receive any form of financial aid during the term and your aid will be canceled and returned to the appropriate programs.

If cancellation takes place close to the beginning of the term and you have already received financial aid to cover living expenses, you will be required to repay the entire amount received.

Notification to the Student

Once the Return to Title IV Funds calculation has occurred, the Officer of Financial Aid will notify the student of the results of the calculation and the aid that was returned.

The Officer of Financial Aid will notify the student of any outstanding balance now due to the institution as a result of the adjustment to tuition, fees and other miscellaneous charges, federal Title IV aid returned based on the Return of Title IV calculation, and any returns of institutional, state, or private grants or scholarships.

FUTURE AID ELIGIBILITY

Withdrawing may affect your eligibility to receive financial aid in subsequent terms. Notify the Office of Financial Aid if you are planning to return. If your loans should go into repayment once you withdraw from school, it is important to make your payments on time to prevent default. If you default on a loan, you could lose your eligibility for any future financial aid. Withdrawal from school may also affect your Satisfactory Academic Progress standing and future eligibility for financial aid.

POSTPONEMENT OF START DATE

- whether the postponement is written forth: for the convenience of United Beauty College or the student
- the deadline for the new start date, beyond which the start date will not be postponed

CRIME REPORTING

The issue of campus safety is a vital concern. In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA). The act was amended in 1992, 1998, 2000 and 2008. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain

in her dorm room in 1986. It is generally referred to as the Clery Act and is in section 485(f) of the HEA. On March 7, 2013, the Violence Against Women Reauthorization Act of 2013 (VAWA) (Public Law 113-14) was signed into law. VAWA includes amendments to the Clery Act.

United Beauty College statistics can be found on our website here, policies and programs related to dating violence, domestic violence, sexual assault and stalking, among other changes. Specifically, these changes added or modified requirements related to:

- Ongoing prevention and awareness campaigns for students and employees
- Disclosure of procedures victims should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred
- implementation by United Beauty College and disclosure of procedures for institutional disciplinary action in cases of dating violence, domestic violence, sexual assault and stalking, including: descriptions of each disciplinary proceeding used by United Beauty College, the standard of evidence used during each disciplinary proceeding, possible sanctions imposed following the results of disciplinary proceedings, and the range of protective measures that the institution may offer a victim;
- Provisions to ensure that proceedings will be prompt, fair and impartial
- Provisions that state that proceedings will be conducted by officials who receive annual training
- Ensuring equal opportunities for the accuser and accused to have others present during proceedings, including an advisor of their choice.

SAFETY REQUIREMENTS

Anyone involved in this profession should take precautions to prevent adverse reactions to allergens caused by chemicals used in the profession that are inhaled or come in contact with the skin. Also, exposure to germs from the general public is common.

FIRE SAFETY REPORT

On August 14, 2008, the Higher Education Opportunity Act was signed into law requiring colleges to provide fire safety information about fire drills, fire safety policies, education and training programs, fire safety equipment and plans for future improvement.

All United Beauty College facilities have smoke and heat detectors. Our fire alarm networked system can be activated by any of the following:

- Smoke
- Heat
- Activation of fire-suppression sprinklers

Our fire alarm system, fire extinguishers and our sprinkler system are tested and inspected annually through our contractor.

When a networked fire alarm is activated, on such an alarm to determine cause and whether the fire department should be notified. United Beauty College Instructors and/or Officers can and may supervise such occurrence.

SUPERVISED FIRE DRILLS

Mandatory, supervised, announced and unannounced fire drills are conducted for each fall and spring semesters by Instructors. A fire can happen at any time, our drills are conducted at various times, night and day.

EVACUATION POLICY AND PROCEDURES

United Beauty College emergency response plan is available at the Bulletin. They provide the following instruction in the case of an evacuation emergency:

- Know the location of the nearest exits
- Get out when the fire alarm sounds.
- Know what to do if you are trapped. If the exits are blocked by heavy smoke or fire, retreat as far as you can, closing (but not locking) as many doors as you can between you and the fire. If possible, call the fire department (911 from a campus phone) and give them your exact location. If smoke starts coming in, try to seal the door as best as you can. Try to signal the fire department and be ready if smoke is drawn into your refuge.
- Get down for life. If there is smoke, stay low; it will be easier to breathe.
- Do not create a trap. Keep your office safe. Do not increase your risk by clogging your office with papers or other items. Simple good housekeeping is an important part of fire safety.
- Practice. Stage mandatory fire drills. Fire drills and fire safety training are good team-building exercises.

Students are not expected to fight fires and are encouraged not to use fire extinguishers unless designated and trained. Individuals designated and trained by United Beauty College in the proper use of extinguishers may use a portable fire extinguisher to fight a small fire where there is little risk of harm from smoke, heat or flames.

EVACUATION PROCEDURE FOR DISABLED PERSONS

Persons whose mobility is impaired are individually responsible for informing their supervisors, residence life staff of their name, location and the nature of their disability. This information will be given to emergency responders during an emergency situation. The rescue of disabled persons who are unable to evacuate themselves will be an initial priority for responding fire units. Co-workers may assist in evacuating disabled persons only if this places them in no personal danger. Always ask someone with a disability how you can help before attempting any rescue technique. Ask the individual if there are any special considerations or items that need to come with the person. Someone should stay with the disabled person if it does not place them in additional danger, and someone should meet responding fire fighters to report the location of disabled persons. Visually impaired persons should have a sighted individual guide them to safety. Inform hearing-impaired persons of the nature of the emergency. Do not assume they know what is happening by watching others.

FIRE SAFETY VIOLATIONS AND PROHIBITIONS

Covering or tampering with smoke detectors and/or sprinkler heads are life safety hazards and strictly prohibited. No flammable liquids such as lighter fluid, kerosene, gasoline, etc., may be stored in rooms.

Flammable items such as sheets, cloth, fish net, etc., may not be hung or draped from the walls or ceiling. Light fixtures may not be covered with flammable items such as cloth, paper or cellophane.

SMOKING

Smoking is allowed in assigned areas only OUTSIDE of the building.

Smokers who choose to smoke outside United Beauty College must use the proper containers (ashtrays and metal trashcans) for disposing of cigarettes and ashes.

INCIDENT REPORT

There are no fire incidents of note, personal injuries or casualties to report involving fire activity on United Beauty College campus. Nonetheless, all fire alarms, fire drills and related incidents are documented on Incident Reports. Copies are maintained in our fire safety log book for easy public access and inspection.

FUTURE IMPROVEMENT

United Beauty College continues to upgrade and improve its fire safety systems on an as-needed basis. Planned improvements coincide with scheduled renovation, summer projects and/or new construction.
